[Kathryn Louise McClaine](#)

About six months ago I moved back up to Seattle, WA to pursue my dance dreams that started at age 5, dancing in the aisle during intermission of LBT's 1992 production of The Nutcracker. In July I joined the New Vision Dance Company, a jazz company directed by a high school teacher of mine, and I had my first show with them in October. I recently started teaching at a studio near Seattle and it's a blast.

I'm so thankful for the love of dance that Mrs. Peterson and all the other Maddox teachers instilled in me as a little girl. Maddox will always be my dance home and I can't wait until I can come home for a few days during the week to take class! My love to everyone, always. "Life may not be the party we hoped for, but while we're here, we may as well dance!"
